

# First Grade News

September 15, 2008

Religion: Our Bible stories for this week are about God's direction of Abraham's life. Memory verses:

**"Trust in the Lord with all your heart." Proverbs 3:5**

**"Rejoice in the Lord and be glad." Psalm 32:11**

Spelling: This week our focus is on words containing the sh and th sounds.

English: We will be learning about the different kinds of sentences over the next few weeks. This week we will learn what a statement is.

Reading: Our story for the week is called "The Path on the Map". New sight words are: be, down, could, see. Our main skill this week is learning about the glossary found in the back of many books.

Math: We will be counting pennies, identifying a number between two numbers, dividing objects in half, and graphing using pictures in our math lessons this week.

Social Studies: Ethan and Isabelle will present their personality bags this week.

Science: There will be a short test over matter on Tuesday of this week. We will then begin a chapter on heat and light.

FYI: Don't forget that the carnival is this coming Friday, September 19. Bring your baked goods for the cake walk to the classroom either before or after school that day. We need the baked items put in packages of two or three cookies or a piece of cake or brownie in ziplock bags. I need everyone to help with the carnival. I have only had three parents sign up to work that night. I need all of you to help for our games to be a success.
