28	29	30	<p>This is the Preschool Camp Falcon calendar. The summer is filled with fun, field trips, activities, and enrichment. If you see an asterisk mark by an activity, that particular activity is tentative and subject to change. All other field trips/activities are confirmed, but could change if need arises. We will let you know these changes as soon as possible during camp. Let's have a great Summer! ☺</p>
