

Dear 2nd Grade Parents,

We will be going to Bethabara Historical Park on Thursday, April 19. We will be traveling by school van and/or parent vehicles. We will be leaving about 9:30 and returning about 12:00.

Please return this permission slip by Monday, April 16.

I request that St. John's Lutheran School include my child _____
in the field trip to Bethabara Historical Park.

I recognize that my child must follow the instructions of those in charge of the activity and be a positive representative of St. John's Lutheran School. I further assure the school that I have adequate insurance coverage for my child in the event of an accident.
