

# Student Information

Each year St. John's publishes a school directory including each student's name, grade, telephone number, address, and parent's names. Some parents choose not to have their phone numbers or addresses listed. If phone numbers are unlisted, we must, of course, have them available to us at school, but we do not share those numbers with anyone.

**PLEASE FILL IN THE FORM BELOW EXACTLY LIKE YOU WANT IT TO APPEAR IN THE SCHOOL DIRECTORY.**
